COMMENT FORM

We need your input. Please take a few minutes to provide your comments or questions for the USDA RUS Federal Environmental Impact Statement process and return your completed form today or mail by June 29, 2009. Your comments help in the planning and implementation of the project. **Thank you.**

Completing this form will automatically add you to our mailing list. If you prefer to not be on the mailing list, please check the box below.

ase check the following issues that are important to you for transmission line siting
Project Purpose and Need
/isual / Aesthetic resources
Proximity to residences
and use (agriculture, residential, recreation)
Nater resources (floodplains, river crossings)
Biological resources (wildlife habitat, raptors)
Historic and cultural sites of the state of
Radio or television interference
Noise
Health and safety
Other:
at additional key issues should be addressed when assessing the potential impacts project?
